

This is a great opportunity to own two properties, using one as a year-round rental income and the other as a private home. The properties are entered via a private drive though the large gardens with landscaping and each house having its own parking areas. The rental property is made up of five separate apartments each with their own living areas, kitchens and bathrooms. Two apartments having 3 bedrooms and three apartments having 2 bedrooms. The apartments can be rented as individual units or for large groups there is a capacity of 22 adults and 2 children. The newly built swimming pool is used by the rental villa and shared by the guests if they are in separate apartment...
